Tamarind Hills is a unique collection of villas and suites, offering a mix of garden and secluded settings depending on their location, all beautifully designed and perfect for those looking for a contemporary and stylish Caribbean getaway.

The Tamarind Suites are nestled in between the ocean view suites and offer a mix of garden and secluded settings depending on their location. They are a fusion of modern stylish luxury and comfortable Caribbean simplicity, embracing a clever mix of textures and natural shades throughout.

There are large driftwood type four poster beds, comfortable sofas and chaises lounges, plus a kitchenette and a cosy spot for indoor dining. The bathrooms are large and come complete with a tub and rain shower. Then the terrace provides a great location from which to soak up the incredible views.

The Tamarind Hills development is near the community of Jolly Harbour which is home to shops, restaurants, supermarket, laundromat, pool and boat services. There is also an 18-hole championship golf course just minutes away and it is about 20 minutes' drive from the capital city of Antigua; St. John's.
