Nestled along the East coast of Antigua, just a short distance from the pristine shores, Villa Kulala is a tropical sanctuary where Balinese charm meets Caribbean beauty. Overlooking the turquoise waters of Long Bay, this exquisite four-bedroom villa seamlessly blends sophisticated design with nature’s splendour, creating an idyllic retreat you'll never want to leave.

Villa Kulala captivates with its unique pavilion-style architecture, linked by enchanting covered walkways, breezy terraces, and open-air living spaces. Every detail reflects thoughtful craftsmanship, from the hand-carved Balinese furniture to the intricate design accents that infuse warmth and elegance throughout.

Set within lush, landscaped gardens brimming with swaying palms, vibrant tropical flowers, and manicured lawns, this private oasis surrounded by nature offers total seclusion. At the heart of this paradise lies an infinity-edge pool, seamlessly blending into the ocean horizon.

Relax on the sun-drenched stone terrace, dine under the shade of the elegant portico, or unwind in the serene gazebo overlooking the water, a picture-perfect spot for sunset cocktails or al fresco meals.

Step inside the luxurious interior, moving through grand French doors to find the villa's stunning great room. Honey-hued wooden ceilings and rich floors provide a warm backdrop to pale, elegant furnishings accented with vibrant Balinese textiles. Gather in the cozy living area for entertainment, or enjoy friendly competition in the adjacent games room.

Dining at Villa Kulala is mostly al fresco, with meals served in the breezy poolside gazebo or the inviting covered terrace near the gourmet kitchen. Whether you're a seasoned chef or simply love to entertain, this fully equipped space is ready to inspire culinary delights.
