Property Description

Location:

A fantastic opportunity to own a versatile piece of land in a peaceful village setting, just minutes from English Harbour and Nelson's Dockyard.

This gently sloping half-acre plot is already fenced, with concrete boundary pillars and a metal entrance gate, providing a great starting point for your future development.

Surrounded by attractive homes in a quiet residential neighbourhood, the land would be ideal for building a spacious family home with plenty of room for a garden and swimming pool.

Alternatively, the generous plot size offers potential for multiple homes or a collection of charming cottages, subject to the necessary planning approvals.

The location is a real advantage, offering peaceful village living while being just five minutes from the restaurants, shops, marinas and vibrant atmosphere of English Harbour.

Whether you're looking to build your dream Caribbean home or explore a small residential development, this is a flexible piece of land with plenty of possibilities.
