Property Description

Location: Saint Phillip, Nonsuch Bay Resort

Nonsuch Bay Resort encompasses 40 acres of land in a natural hill-enclosed cove on the east coast of Antigua, with its white sandy beach considered to be one of the island's 'best kept secrets'. The surrounding hills embrace the bay, creating a setting unique in its privacy, serenity and exclusivity. For many, the combination of direct beach access, waterfront living and breathtaking ocean views epitomise the ultimate Caribbean living experience.

The focal point of the development is the clubhouse, with guest reception and concierge, a five-star waterside restaurant, a breakfast and lunch bar, two plunge pools and a stunning infinity pool which wraps around the headland. There are two additional swimming pools, tennis courts and boat moorings. These, combined with an extensive list of services provided, enable residents to enjoy a relaxed and luxurious lifestyle.

Townhouses, apartments and building plots are for sale.

This one-bedroom apartment is perfect for the first time second home buyer. It is spacious and has all the comforts of home at your disposal. The apartment boasts beautiful sea views over the resort with close proximity to the communal swimming pool and just a short stroll to the beach. All appliances and furnishings are available at an additional cost.

The resort has a great rental programme for instant return on investment.
