Property Description

Location: Saint John, Galley Bay Heights

Villa Avalon is one of the newest luxury villas located in the exclusive Galley Bay Heights community.

This villa has four double bedrooms and one single, sleeping nine people and extending over 7,500 sq. ft. The most luxurious products have been used, sourced throughout Europe by an international interior designer.

It has a spectacular open plan sitting/dining room leading out to a spacious veranda with a 10 seat teak table for al fresco dining. The large terrace, Jacuzzi and infinity pool afford stunning views of the Caribbean Sea.

Villa Avalon is arguably the most stylish property in Antigua; with Giorgio Armani as a neighbour you would expect nothing less.

The five-star Galley Bay Resort is within walking distance and Deep Bay, one of Antigua's most beautiful beaches, is close by.

All bedrooms are en-suite with walk in rain showers and each has its own veranda with views over the water. The bedrooms have both ceiling fans and air conditioning and most have walk in wardrobes. The master suite has a large walk in shower and a Jacuzzi bath.

The attention to detail is second to none, from the underground rock wine cellar to the designer Italian kitchen with granite surfaces.

The garden is planted with palms and tropical fruit trees including mango, lime and bananas.

The Great Room is fitted with a flat screen TV and a BOSE sound system which is wired to the kitchen, terrace and master bedroom.
