Land Area: 3.5hectares

PROPERTY DESCRIPTION

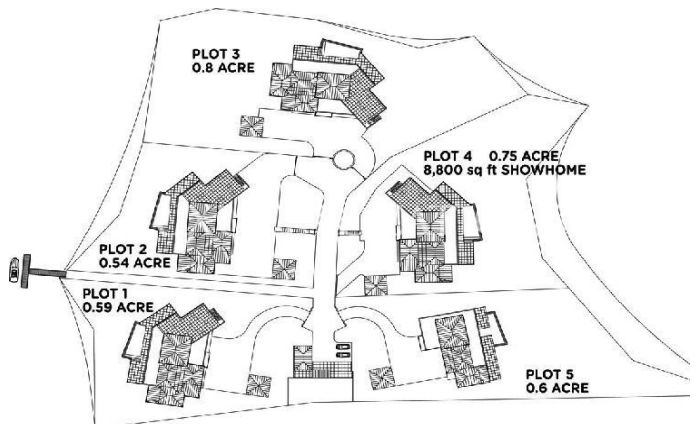

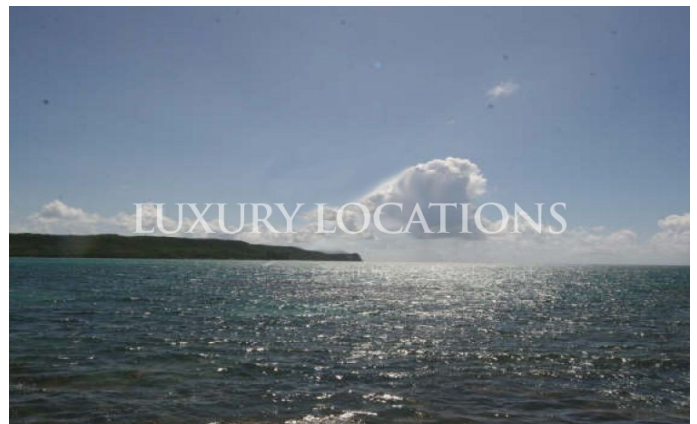

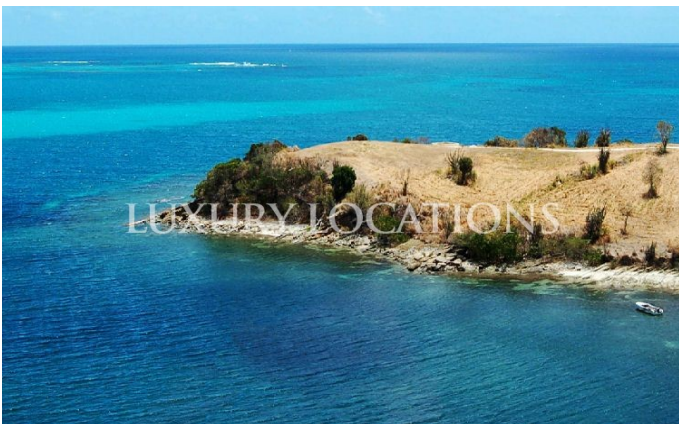

Daniel Bay is situated within Willoughby Bay, on the south east of the island. Set across 3.5 acres of prime beachfront land, a stunning location, Daniel Bay delivers breathtaking, uninterrupted views of crystal blue and turquoise waters.

With only five homes available, the Daniel Bay development ensures privacy, exclusivity and security behind its welcoming gates. Each home will enjoy private, direct access to the sea and there are no over-looking properties in the vicinity. The Daniel Bay development will incorporate a private jetty for mooring and the surrounding waters are perfect for water sports such as wind surfing, kite surfing and kayaking.

Some of Antigua's finest restaurants and bars are just a few minutes drive away in the nearby, historic English Harbour and Nelson's Dockyard. Home also to Antigua's well established yachting fraternity. Daniel Bay is a 25-minute drive from the capital, St John's and a 30 minute drive from the airport.

Five...
