PROPERTY DESCRIPTION

Sugar Ridge, a superb development and resort, the perfect spot to create your own home away from home. Buy a plot and then design and build your very own dream home. Sugar Ridge Plot 14, set on a slope, is approximately 1/4 acre with amazing views.

Sugar Ridge offers sweeping, fabulous, views of verdant landscapes with picturesque villages dotted all around to the north and to the east the unsullied natural forest encompassing valleys and gullies along the dramatic coastal highlands. To the west and south views incorporate palm lined beaches with the sparkling turquoise Caribbean Sea lapping gently on their shorelines, the headlands to Five Islands Bay, and the islands of Monserrat, Redonda, Nevis and St. Kitts glistening in the Caribbean sunshine along the horizon as your eye travels out across the Caribbean Sea.

Sugar Ridge Resort has an enviable array of amenities to offer from Concierge Services to a multitude...
